

## Participating Speakers

**Page Dickey:** Page is a celebrated designer, writer, and of course gardener. She has spoken at The North Hill Symposium several times and we have all joyed in her quiet, elegant address. We welcome her back with great pleasure.

### Autumn In New York

**Dan Hinckley:** Dan is, quite simply, the greatest plant explorer of our time. His new garden, Windcliff, is spectacularly perched above Puget Sound. Like Herronswood, it is a masterpiece of design.

### The Western Garden in Autumn

**Gary Koller:** Gary, for many years the curator of living collections at the Arnold, is one of the most knowledgeable plantmen in New England.

### Autumn in New England

**Beatrice Tosti di Valminuta:** Our Countess is coming back to talk to us about autumn food. There will, as last year, be wonderful food to enjoy at the end of the day.
